NOTE—Contn. Sheet

7.) In view of resolution of the meeting of Central Recruitment Board held on 31st May 1929 to the effect that statistics of appointments held by various Committis in Gazetted service should be prepared, the Comptroller was requested to compile such a statement and sent to this Office (vide × this Office Letter no 498 C.R.B. dt 22.7.29) and the Comptroller also had agreed to send such a statement in his letter no 5-9/G.A.D. × dt 27-7-1929. This action was taken in view of promise no 35 × on Question no 18 by Mr. H.C. Dasappa on the 3rd & 4th days of the December Session (1928) of the Legislative Council.

Afterwards the matter was talked over in Council also and was ordered to lie over and hence no action was taken in the matter.

7) This year also in as per orders in obedience to para 4 × of notes the Comptroller with this office letter no 1351 C.R.B dt 19-9-31 was requested to compile such statement and he has compiled and sent such a statement with his no 188 G.A.D dt 30-10-1931 ×.

In this Connection it may respectfully be pointed out that the file no 13-29 in which instruction of

(10) The Comptroller suggests that the Community to which an officer belongs may be noted in the Civil list. This matter was considered on 31.7.1929 has been talked over in Council and ordered to lie over.

(11) It may further be respectfully pointed out that statement of Gazetted appointments as has been prepared by the Comptroller this year can be compiled more easily in the Comptroller's office where the civil list is compiled. (This will involve very heavy work if ordered to be done in his office) as this office has to scrutinize the Schedules of establishment of all non-Gazetted appointments in the State in addition to the compilation of "C" Statements and the Statement of non-Gazetted appointments of different grades. Moreover in the civil list the same name appears more than one place and it requires much time to scrutinize and arrange all names in respective order

~~Submitted for orders of Govt.~~

The Comptroller's suggestion for indicating the Community to which an officer belongs in the civil list is for orders in view of Council's decision and Dewan's minute.

16) The statement of Gazetted appointments has been published in the C.R.B report of progress from 1921 to 1930. and it will perhaps have to be given in the C.R.B annual reports also with a view to see how far progress has been made in accordance with the Miller's Committee report. The Miller Committee also had recommended the submission of such a statement together with a statement for non-Gazetted appointments, which is being regularly received from the various unit Officers.

To

Rajasevaparayana
B. Srinivasa Iyengar, Esq., B.A., B.L.,
Secretary to the Government of Mysore,
Financial Department, Bangalore.

Sir,

1) In inviting kind reference to the Chief Secretary's letter No. 498/GAD dated 22nd July 1929 directing me to furnish each year to the Secretary, Recruitment Board, a statement showing the statistics of appointments held by the various communities in the different grades in respect of all Gazetted Officers, I have the honor to request that this office may be spared this work of compilation as it is not part of the normal duties of an audit office.

2) 2. With the reduced and limited staff, it is found extremely difficult to get through the regular work of this office and it has become necessary to effect reduction of work by eliminating unnecessary items or items not pertaining to our work proper. I have already suggested in my Un-official reply No. 24/Spl dated 13th July 1929 that the community to which an officer belongs may be noted in the Civil List as is being done in Madras by inserting indicative letters against each name. If this is done the Central Recruitment Board can compile any kind of statistics it wants from the Civil List from time to time.

I have the honor to be,
Sir,
Your most obedient servant,

Comptroller.

The file re: analysis of Annual Statement of non-Gazetted appointments for the half year ending 30th June 1929 is put up. The reply referred to above can be found in it (vide Flag H and Q. and para 1 and 2 of the note). The Comptroller has sent such a statement this year.
